

**Flight 6ix Incorporated o/a Guelph Flight Centre**  
**Policy 24: EXPULSION POLICY**

Guelph Flight Centre operating policies and procedures that are applicable to students while attending training at the school.

Every flight training student receives this outline at the beginning of their training with Guelph Flight Centre as it is mandated by CARS.

The policies and procedures contained in the Flight Training Program Outline exist to provide students with a set of guidelines. Guelph Flight Centre expects all students to respect school policies and follow procedures while they are attending ground school classes or involved in flight training activities.

Failure to adhere to these policies and procedures may result in actions by the school that may lead to a student being expelled from the program.

**EXPULSION FOR MINOR INFRACTIONS**

Minor infractions are actions that in themselves do not affect the safety of flight but disrupt day-to-day operations or conflict with school policy. Multiple minor infractions may affect a student's ability to complete the program on schedule or may cause disruption to the entire program.

Therefore, the school will keep a record of minor infractions for each student. The school will provide students with the opportunity to correct their actions in order to remain in the program.

The following expulsion procedure will be exercised in the event of multiple minor infractions.

**Step 1** - Verbal warning by the student's instructor

**Step 2** - Written warning by the Chief Flight Instructor that will be placed on the student's file

**Step 3** - Meeting with the CFI and General Manager. A written record will be placed on the student's file indicating that this meeting has occurred.

\* At this meeting, the student's performance will be reviewed and if it is determined that the student has a valid reason for his/her actions they will be offered the opportunity to avoid expulsion by remaining free of infractions for a 60 day period commencing on the day of the meeting.

After 60 days of remaining free of infractions, the student's record will be cleared.

Should the student not have a valid reason, should he/she not accept this option, or should he/she not remain free of infractions for a 60 day period, the school will proceed to **Step 4**.

**Step 4** - Expulsion

Displaying dangerous behaviour is grounds for expulsion.

A major infraction will result in immediate expulsion from the program. An appeal may be made in writing to the CFI. The CFI will respond in writing within 10 days of receiving the appeal.
